

## Top 50 to Watch

FIRST QUARTER, 2001

---

Every quarter, LocalBusiness.com reporters and editors evaluate the hot growth companies in the region to find the ones worth watching. We're focused on the private and small- to mid-cap public companies that we feel are changing the economy, but not getting much credit for it. Here's our list. Tell us [what you think](#) -- and why.

### Company details

**Company Name:** digiMine Inc.

**Capital Raised:** \$25.0 million

**Why it's on the list:** datamining
