We at Oasis500 strive to create opportunities for individuals to establish their own innovative companies in the fields of ICT, digital media and mobile applications, and provide the resources necessary to accomplish their objectives. One of our stellar offerings is Oasis500 comprehensive training boot camp that is regarded by many as the leading *entrepreneurship and business training* for ICT startups in the MENA region.

We are currently offering our *entrepreneurship training* boot camp and investments for entrepreneurs in Ramallah, Palestine, to help them pursue their dreams. The entire Oasis500 team strives to grow that seed you have planted and help develop the fruits of your success. And to help you sharpen your tools. Experts such as Dr. Usama Fayyad, Oasis500 Chairman and former EVP of Yahoo! Inc., will be leading

several of our sessions at the bootcamp, where he will be guiding you and giving you the essence of his journey in the fields of investments, entrepreneurship, ICT and starting a business.

Dr. Fayyad will be giving sessions in IT marketing, setting up your pitch deck to investors and also his perceptive on dealing with failures, and most importantly taking your startup from an early stage company to a growth stage company.

We want you to be prepared for the real life circumstances that are faced by all thriving businesses and so we challenge our entrepreneurs with real life experiences and provide a variety of comprehensive skills to truly help you excel! We also present them with real life experiences and talks.

Speakers:

Dr. Usama Fayyad, Oasis500 Chairman, former EVP of Yahoo! Inc.

Several prominent local Palestinian entrepreneurs who will be announced during the upcoming weeks.

Dr. Usama Fayyad, Chairman, Oasis500. Usama Fayyad, Ph.D. is Chairman of Oasis-500 pursuant to an appointment by King Abdullah II of Jordan in 2010 to help create a tech startup ecosystem in MENA. Oasis-500 manages a tech startup investment fund and operates an accelerator/incubator, entrepreneurship training, and angel investor network. It aims to fund/accelerate 500 Internet/Tech startups. He is Chairman of d1g.com in Jordan and Chairman & CTO of Blue Kangaroo – a personalised mobile search engine for offers based in Burlingame, CA, USA. Until 2008 he was Yahoo!'s chief data officer & Executive VP where he applied Big Data techniques to content/advertising targeting and built the world's largest group of data scientist – helping Yahoo! grow its revenues from targeting by 20x in 4 years. Yahoo! acquired his second startup (DMX Group) in 2004 after he founded his first startup, Audience Science, in 2000 (the U.S. leader on behavioral ad targeting). Usama held leadership

positions at Microsoft (95-00) and at NASA – JPL (89-95) where he pioneered BigData in Science and earned top research awards including a U.S. Government Medal in 94. He has published over 100 technical articles, holds over 30 patents, is a Fellow of both the AAAI and the ACM.
