digiMineTM

Business Summary

digiMine is setting new standards for the delivery of powerful data mining and analytics. Our managed solutions transform raw data into actionable business intelligence for more profitable marketing campaigns, sales interactions and customer relationships. Powered by a managed data warehouse and delivered via the Internet, digiMine solutions provide fast deployment, a low total cost of ownership and outstanding return on investment. digiMine services clients across a range of industries, including retail, media & entertainment, financial services, manufacturing and high technology. Clients include AT&T Wireless, CBS MarketWatch.com, J.Crew, Microsoft, Nordstrom and Palm. For additional information about digiMine call (425) 460-5000 or visit the company Web site at www.digiMine.com.
