DigiMine Inc.'s Conversion Advisor lets users mine customer data in order to make retention and loyalty business decisions.

DigiMine Advisors

DigiMine Inc.

www.digimine.com

DigiMine Inc. released DigiMine Advisors, solutions that let users apply data mining techniques toward defined business objectives, including customer retention and loyalty, inventory management, and sales conversion. Conversion Advisor is the first release, and other Advisors will include Retention Advisor for marketing managers, Product Advisor for product managers, and Content Advisor for Web-site managers. Pricing ranges from \$10,000 to \$25,000 per month.

DigiMine Inc., 10500 NE 8th St., 13th Floor, Bellevue, WA 98004, 425-460-5000
