

DigiMine Secures \$20.3 Million

DigiMine Inc., Bellevue, Wash., said it closed \$20.3 million in third-round financing. Funding was led by Mohr, Davidow Ventures with participation from previous investors including Mayfield. The money will be used to support DigiMine growth. Bill Ericson of Mohr, Davidow will join the company's board. DigiMine (www.digimine.com¹) provides managed data mining and analytic services to businesses.
